

## List of donation locations in Moore County

When it comes time to move, there are probably lots of items you can part with and no longer need. That is why I created this list to help you donate your gently used items to someone who can use it in our Moore County community. There are non-profit organizations and those that resell to help people in our community. Choose which ones you want to help.

As a thank you, you can view my post of [4 Easy Decluttering Tips You Can Use Now](#) to help you get your home ready to sell.

Whether you are downsizing or outgrown the use of the items, this is a great way to give back to our community. Thank you for taking the time.

A handwritten signature in dark ink that reads "Kasia".
